

HEALDSBURG AVENUE BRIDGE PROJECT An Investment In Public Safety

The City Invites Your Input on the Healdsburg Avenue Bridge Concepts at Public Meeting

As many residents in Healdsburg are aware, the City is currently developing concepts for the Healdsburg Avenue Bridge Project to determine the future of the bridge. The City held two public open house meetings on March 31 and April 29, 2010 to share information with the public about the project, present preliminary project concepts, and solicit public feedback.

Public comment received at these two meetings is being considered when developing and refining the project concepts.

The City now invites interested parties to a public meeting at City Hall where the public can openly voice their concerns, comments, and opinions on the bridge concepts presented at the April 29th open house.

If you have questions about the public meeting please contact Mike Kirn, Public Works Department, City of Healdsburg at (707) 431-3346. For more information about the project visit www.healdsburgbridge.com.

DISABLED ACCOMMODATIONS: The City of Healdsburg will make reasonable accommodations for persons having special needs due to disabilities or those requiring translation services. Please contact Maria Curiel, City Clerk, at Healdsburg City Hall 401 Grove Street Healdsburg, California or at (707) 431-3317 to ensure accommodations are made.

Please attend the public meeting and be heard!
