

HEALDSBURG AVENUE BRIDGE PROJECT

An Investment In Public Safety

THE CITY INVITES YOU TO ATTEND A PUBLIC MEETING TO RECEIVE AN UPDATE ON THE HEALDSBURG BRIDGE PROJECT

Since the last public meeting on May 11, Omni-Means, the City's engineering consultant, has been analyzing the concepts developed for the Healdsburg Avenue Bridge Project. Public feedback from the two open houses and public meeting helped shape the current concepts for the bridge project. An update on these efforts will be presented to the public at the July 29 public meeting.

When: Thursday, July 29, 2010

Where: City Hall

401 Grove Street, Healdsburg

Time: 6:00 P.M.

Staff from the City and the Omni-Means team will be on hand to answer questions about the status of the project and the ongoing efforts to date.
